

Marksure : Resource Bank

Marksure: Using the Resource Bank

The Resource Bank provides teachers with immediate access to study materials, past exam papers, and Department of Basic Education (DBE) guides.

Phase 1: Accessing the Library

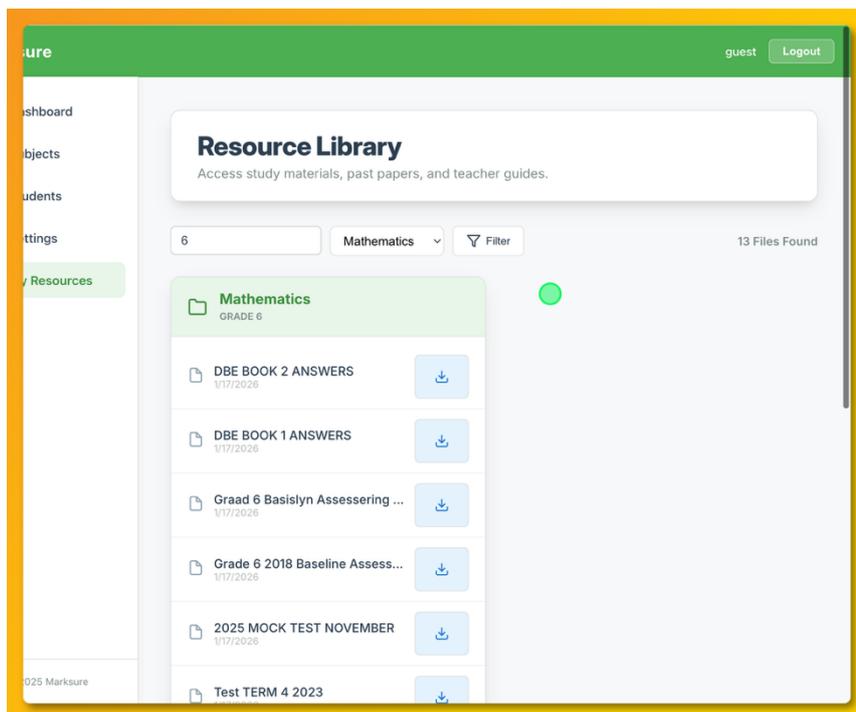

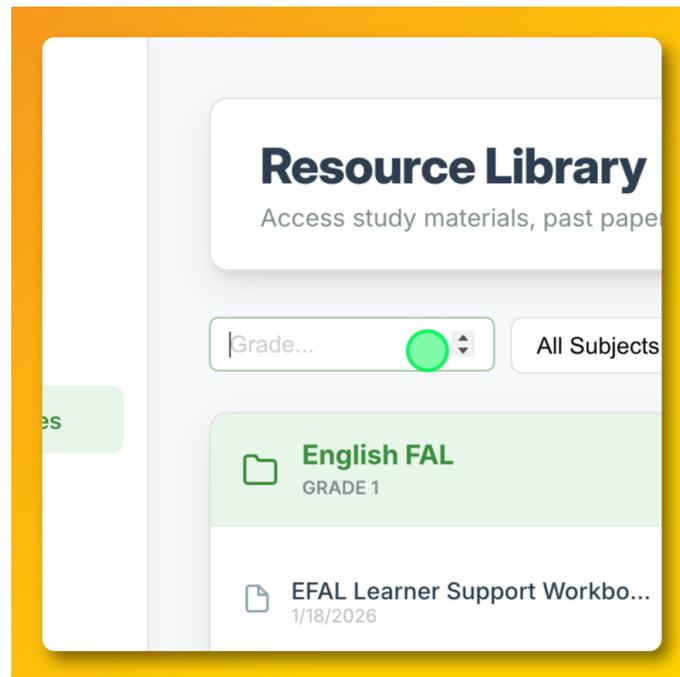

- **Via Dashboard:** From your main sidebar, click on the **My Resources** folder icon to open the Resource Library

Phase 2: Finding Specific Materials

To narrow down the library's collection (which contains dozens of files), use the filter tools:

- **Select Grade:** Click the **Grade...** input box and type your target grade (e.g., "6").
- **Choose Subject:** Click the **Subject** dropdown menu to select the relevant field, such as Mathematics.
- **Apply Filters:** Click the **Filter** button to refresh the list.

Phase 3: Viewing and Downloading

- **Browse Results:** The library will display available folders and files, such as DBE answer books, baseline assessments, and mock tests.
- **Download File:** Click the blue **Download icon** next to the specific resource you need.
- **Access PDF:** The resource will open in a new tab (e.g., a Mathematics Grade 6 guide), where you can save or print it for your learners.
